Employment Contracts in Liechtenstein

In Liechtenstein, employment contracts can be oral or written, but it is best practice to put a strong, written contract in place, in German, which spells out the terms of the employee's compensation, benefits, and termination requirements. An offer letter and employment contract in Liechtenstein should always state the salary and any compensation amounts in Swiss Francs rather than a foreign currency. The employment contract template is part of the service with Globalization Partners; no need to draft a separate template if you use our employer of record and PEO service in Liechtenstein.
