

# G-P GLOBAL EMPLOYMENT PLATFORM: PUT THE WORLD'S TOP TALENT WITHIN REACH!

G-P Global Employment Platform is Globalization Partners' automated, AI-enabled global employment platform, that enables our customers to hire, onboard, and manage top talent anywhere in the world. As the market leader in global employment technology we help companies expand internationally and enter new markets compliantly, without the hassle of setting up branch offices and establishing legal entities.

## Key Benefits

- Find, hire and onboard in a matter of days and with the best customer and professional experience in the market.
- Offer competitive benefits and fully compliant contracts, in minutes via our Employment Contract generator.
- Automate, customize and manage every HR function such as payroll currencies, in-country benefits, PTO, expenses, etc.
- Manage terminations compliantly, in accordance with local labor laws and processes.

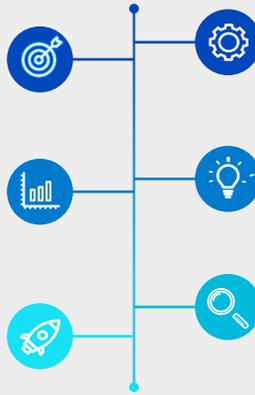

# Every HR Need in One Place!

Products designed specifically to streamline your global expansion:

**G-P Contractor.** Onboard contractors in 180+ countries, send invoices and payments.

**Reporting & Dashboards** Detailed data on your team's payroll, invoicing, benefits, expenses, etc.
